

UNSERE LIEFERANTEN und MARKEN

Von all den aufgeführten Firmen haben wir die wichtigsten und häufiger benötigten Artikel am Lager.
Der Online-Shop ist sozusagen unser "Schaufenster" nach außen und enthält nur einen winzigen Teil unseres tatsächlichen Lieferprogramms.

Kein -wenn auch noch so großer- Händler kann von allen Firmen alle Artikel auf Lager haben!
(Dann wäre er ja mächtiger als alle Firmen zusammen.. da gibt es also wirklich Keinen, der das bieten könnte)
Lieferangaben "auf Lager" sind sowieso oft nur mit dem Lagerbestand des Lieferanten verknüpft und das benötigte Teil wird bei Bedarf weiterbestellt und dann erst ausgeliefert.

Der Aufwand, alle Artikel aller Firmen in einen Shop zu packen, ist auch für niemanden sinnvoll und kostendeckend zu bewältigen.

Also - der Weg, doch schnell und preisgünstig zum (wenn auch noch so ausgefallenen) Artikel, kann natürlich stundenlange Recherche im Internet sein - oder Sie schicken ganz einfach eine Anfrage per mail an:
shop@kastler-modellbau.de

Schnelle und unverbindliche Antwort garantiert...

(Benötigt wird dazu eine möglichst genaue Beschreibung des Artikels, am besten natürlich mit Angabe des Herstellers und entsprechenden Artikelnummer. Je detaillierter die Angaben, um so schneller wird die Information gefunden und es gibt keine Verwechslungen!
